

Our Family makes our community a better place to live, to grow up, and to grow older by helping people in every stage of life. We have two program areas: New Beginnings and Strong Communities.

## NEW BEGINNINGS

We help homeless children, youth and families into safe, stable housing and on to independent lives through street outreach, shelter and support, and affordable housing.

## STRONG COMMUNITIES

We build a better community by providing resources, education, and services that strengthen youth, families, elders, and our connections with our neighbors.
